Comment Reasons:

Comment: The vehicle tracking exercise plan 18.037-Ramp - V1-00-DR-L-0017-S3-P2 shows no vehicle type that has been used. The disabled bays (on entry to the site) show no road markings, side and to the rear of the vehicles. Entry/Exit from the eastern section is via a Traffic regulation Order Camera Traffic Enforcement cameras.

"Local buses taxis and delivery vehicles only" . Road marking showing turn left and ahead may be confusing. What is the Section 278 works agreed with Medway Highways? Is there a Stage 1 and 2 safety Audit available? This would have picked up these anomalies.
